As we are the sort of company that likes to give back. In 2019 O'Neill Investments sent two members of our team on a mission to build houses for the Earthquake appeal in Nepal.

Along side the amazing people at lovevolunteers.org we will continue this volunteering venture each year on projects around the world.

This project is so special because it is directly funded from a proportion of all our tenants rent. This means that you, personally, will be changing the lives of families living in poverty and making a real difference to people in need.

THE BEST landlords in London. O'Neills are THE BEST landlords in London--hands down. I think the fountain of positive reviews here speaks for itself!

5/5!
Always ready to help you!

O'Neills are a fantastic landlord company and allow you to rent, settle and live at ease in London. I have stayed in one of their flats for over 5 years and would rent with them again should a suitable property become available. The problem is that they are such a good landlord that they rarely have free flats!
